EDUCATION

University of London

- Bachelor of Science in Computer Science (Data Science)

Expected: September 2028

Relevant Coursework:

- Introduction to Programming I & II
- Discrete Mathematics
- Algorithms and Data Structures I
- Computational Mathematics
- Web Development
- Graphics Programming

University of Central Florida

- Coursework for Bachelor of Science in Physics (with a double minor in Mathematics and Computer Science)

(Transferred to University of London)

Tarrant County College

Fort Worth, Tx

- Associate of Science
- Associate of Arts

TECHNICAL SKILLS

Programming:

- Python (learning- beginner)
- SQL (learning- beginner)
- C++
- JavaScript
- HTML/CSS

Data & Tools:

- Git, GitHub
- Excel
- VS Code
- Office 365

Data Science & Concepts

- Data Structures & Algorithms
- Object-Oriented Programming
- Data Analysis (experimental & computational)
- Machine Learning (coursework)
- Statistical analysis

Machine Learning Coursework (Data Science Program)

- Completed supervised machine learning projects using Python-based tools in a controlled academic environment
- Performed data preprocessing, feature engineering, model training, and evaluation
- Applied classification/regression techniques and interpreted model performance using statistical metrics
- Worked with structured datasets to analyze patterns and draw conclusions

Portfolio Website (Software Development Project)

- Designed and developed a personal portfolio website using HTML, CSS, and JavaScript
- Showcased software development and computational projects in a structured web interface

- Deployed and maintained using GitHub Pages for public access

Graphics Programming / Simulation Projects

- Developed interactive simulations and visual programs using JavaScript and p5.js
- Applied mathematical and algorithmic concepts to model graphical systems and animations

RESEARCH EXPERIENCE

University of Central Florida (UCF), Department of Physics

Jan 2025 – Apr 2025

Advisor: Dr. Adrienne Dove

Undergraduate Research Assistant

- Conducted hands-on research with Dr. Dove in Physics.
- Assisted in preparing samples and performing experiments, ensuring accuracy and reliability in data collection.
- Assisted with data analysis.
- Collaborated with fellow researchers in maintaining a safe and efficient lab environment.

University of Central Florida (UCF), Department of Physics

Jan 2025 – Apr 2025

Advisor: Dr. Kerri Donaldson-Hanna

Undergraduate Research Assistant

- Conducted hands-on research with Dr. Donaldson-Hanna in spectroscopy.
- Gained proficiency in using a spectrometer and a vacuum spectrometer.
- Assisted in preparing samples and performing experiments, ensuring accuracy and reliability in data collection.
- Collaborated with fellow researchers in maintaining a safe and efficient lab environment.

PROFESSIONAL EXPERIENCE

MKTG

Dec 2022 - Present

Brand Ambassador

- Laser engrave various materials using both diode and CO2 lasers.
- Serve as an in-field expert for multiple brands, marketing at various venues.
- Research and develop strategies for effective brand promotion.
- Primary trainer for new employees.
- Warehouse inventory and order receiving.
- Handle embroidery, product customization, and assist with kit assembly for field ambassadors.
- Generate time sheets, event reports, and expense reports.
- Organize and maintain warehouse operations.
- Represent the brands at industry conventions and events.

High Profile Models

Sept 2012 - Dec 2022

Brand Ambassador

- Represented and marketed the given brands.
- Acted as an in-field expert for an umbrella of brands, marketing to various venues.
- Developed and implemented strategies for effective brand promotion.
- Represented the brands at conventions, charity auctions, charity golf tournaments, etc.
- Trained and mentored new employees.
- Prepared and submitted event reports.

Perfect 10 Promotions

Sept 2012 - Dec 2022

Brand Ambassador

- Represented and marketed the assigned brands at conventions and events.
- Acted as an in-field expert for an umbrella of brands.
- Developed strategies for brand promotion.
- Trained new employees and assisted with event preparation and logistics.
- Generated and submitted detailed event reports.
